

Template for an APA 7th Edition Annotated Bibliography Template

Sample Entry:

Author(s) Last Name, First Initial. (Publication Year). Title of the Source. Journal Name, Volume(Issue), Page Numbers. DOI or URL

Annotation:

In this section, provide a summary of the source's content, focusing on its main arguments, research methods, and findings. Explain how the source is relevant to your research or topic. Additionally, evaluate the source's credibility, methodology, and overall quality. Discuss its strengths and weaknesses.

Example

Sample Entry:

Smith, J. A. (2019). The Impact of Climate Change on Biodiversity. Environmental Studies Journal, 42(2), 165-178. DOI: 10.1234/envstud.2019.42.2.165

Annotation:

Smith's article discusses the significant impact of climate change on global biodiversity. The author examines current research and data on the subject, highlighting the various threats posed to ecosystems, species, and conservation efforts. The article also provides insights into potential mitigation strategies. This source is valuable for understanding the ongoing challenges related to climate change and biodiversity loss. Smith's in-depth analysis and up-to-date information make this article an essential resource for scholars and policymakers concerned with environmental issues.
