

# Argumentative Essay Examples - Introduction

The topic of this essay is whether technology is having a positive or negative effect on our lives. In today's society, technology has become an integral part of our daily lives. We use it to communicate, work, entertain ourselves and access information from around the world. There are people who argue that technology has improved our lives, making us more efficient and productive. On the other hand, there are others who believe that technology has had a detrimental effect on our lives, leading to increased stress and isolation from human contact. In this essay, I will discuss both sides of the argument and provide evidence to support my conclusion that technology has had primarily beneficial effects on our lives.
